

Junior Junction

November 2011

It is that time of the year again...
Only 6 weeks until Christmas and the teachers and children are starting preparations.

Coming Events:

Family Christmas Party
Thursday 01st December
5.15-7.00pm

A light dinner is provided for both adults and children. Santa and Mr Whippy will be making a visit during the evening. Grandparents and Siblings welcome

Please no parking in the café parks

Reminders

- Christmas Closing 2pm Friday 23rd December
- Please return your holiday forms and book at the sign in desk if care is required the days in between Christmas and New Year.
- Immunisation records are required at 15months and again at 4years old. Please see the latest Measles update at www.moh.govt.nz/measles

Staffing

Providing consistency for the children is our primary concern, it is however sometimes difficult due to sickness, personal leave and training commitments. We do aim to use regular relievers where we can.

Baby Room

Kristin has been on practicum—Baisa and Meaghan will be covering this time. We are expecting Naoko to rejoin the team in February with her Baby.

Toddlers

Alicia will join this team from Monday and Casey will be moving into Preschool, these changes are to extend the teachers experience with all age groups and to aid them with practical applications for their Teacher Registration. Many of you will know Lish from the baby room. Renee is on leave until mid December we have Alana and Diane covering her absence.

Preschool

Casey is looking forward to joining Claires team. Since Catherine has left we have had Meaghan relieving for us providing some consistency while we searched for the right person for this role—at last we have found Michelle who is a qualified Primary Teacher, she will be joining us on Monday 21st. You may have met Michelle as she covered Juliana's leave last week.

Sun Safe Policy

Please remember a named hat. We ensure children have adequate water, sunblock and shade throughout the day.

Survey Results

Thank you for your input. We have collated all the information and a copy is available for your review by the sign in desk. Centre and room-reviews are currently underway regarding your suggestions.

Our new Centre has opened at 146 Sunnynook Road. Please feel free to call in for a visit if you are in the area.

Where learning meets fun

Well done to the All Blacks - it was an exciting time . The children were lucky to be part of such an important event in our history.

“Children and their families experience an environment where connecting links with the family and the wider world are affirmed and extended.”

Te Whariki 1996
